Ten Minutes in Heaven

This week's article is very simple and it will change your life if you put it into practice. It will only take 5-10 minutes a day, but the benefits will carry you for hours and last a lifetime. It's not a pill. It's not an exercise program. It isn't meditation or positive thinking. You don't have to count carbs, avoid trans-fat, change your shampoo or wear magnets. Interested? Before I reveal the secret, I want you to commit to me that you will put it into practice every day for two weeks. If you don't experience a big change in your life I will give you a full refund and take you to dinner. Every day for the next two weeks do these three things:

- (1) Treat you spouse with love and respect (1 Pet 3:5)
- (2) Forgive any offense you are holding against someone (Mark 11:25)
- (3) Specifically confess your sins of the day to God and thank Him for His forgiveness (1 John 1:9)

That's the challenge, 10 minutes a day that will change your life.
