This week with the teens

- We had a great week with the teens from Tennessee this week. They had Bible School every morning in the neighborhood. They washed cars for free in the parking lot of the building and the owners were impressed by their energy and devotion.
- They did several service projects around town. They were able to help Ramneesh at the restaurant with cleaning and landscaping. They worked on the teen room, scraping, painting, cleaning, ...
- **Thanks to all** of you who brought desserts to help with the feeding of the multitudes. It is hard to fill up a teenager!! Hopefully, we did, because they filled us with their love, friendship, and willingness to help with any project.

We should all be proud of Ryan, Garrett, and our teens. They worked hard getting ready for this, they worked hard every day, and formed friendships with other Christian teens that will hopefully last a lifetime.
